Post Falls, Idaho- The Post Falls Police Department and the Post Falls School District distributed information to high school parents this last Saturday. The following is a joint statement from the Post Falls Police and Post Falls School District.

There is continued discussion surrounding an unacceptable conversation that took place at Post Falls High School last week. The Post Falls Police and school district administration will continue to investigate any and all information regarding student and staff safety and communicate accurate information to our families. Rumors and misinformation have caused anxiety for some students and parents. While there is no threat, in an attempt to reduce the anxiety created, there will be an increased police presence on our campuses.

Student and staff safety is our number one priority. We appreciate and thank you for your continued support and partnership. If you have any questions, comments, or concerns, please feel free to contact the Post Falls Police Department at 208-773-3517.
