## **COVID-19 Daily Briefing Report**

### **City of Post Falls Updates:**

---

- The Guidelines issued for Opening up Idaho give an indication of what will happen and when, but they do not serve as an Order from the Governor. No official action may be taken until an Order is issued. Staff is anticipating that the Governor will issue an Order implementing Phase 1 starting on May 1, 2020. Department Heads are meeting tomorrow to discuss the phasing plan and how to address the changes as they occur in each phase. We will be discussing items such as playgrounds, opening of City Hall, telework staffing, furloughed staffing, event planning, etc. All discussions will take into consideration the social distancing and other requirements as set forth from the CDC, State of Idaho, and Health Districts. My Briefing on Wednesday will have more details on Phase 1 plans and some basic guidelines on the future phases.
